

**Information Released under Freedom of Information Act (FOIA) 2000**

**Subject: Location of Radars**

**Date Released: 03/04/2018**

**Summary of request:**

Freedom of Information request - Radar Locations UK

Could you please provide me with British National Grid coordinates (or a GIS shapefile) of the location of your C-Band Radars. Thanks in advance and for your time.

**Information released:**

The Met Office holds this information, however the information requested falls within exemption Section 21 of the FOIA. Information is exempt if it is accessible by other means.

The information is held on the WMO Data Base of Radars at this web site (hosted by the Turkish Met Service on behalf of WMO): <http://wrd.mgm.gov.tr/db/search-country-ge.aspx?l=en&c=GB&o=#wh> .

Under advice and assistance, please note that the coordinates given for each site are available when you click 'Details' on the radar icons and are given in Latitude and Longitude. These coordinates can be converted to GB national Grid using the calculator on this website:
