

Do you like to...

ask questions?

imagine stories?

improve things?

create experiments?

solve problems?

Like millions you probably know us best for the weather forecasts that you hear on the news or read on your phone.

If you're passionate about Science, Technology, Engineering or Maths (STEM), great, you'll fit right in! But these aren't our only careers.

Potential careers at the Met Office...

- Cyber security analyst
- Climate scientist
- Oceanographer
- Software engineer
- Observations technician
- Project manager
- Meteorologist
- Civil contingency adviser
- Graphic designer
- Lawyer
- Trainer
- Radar engineer
- HR partner
- Sales executive
- Accountant
- Press Officer

The Met Office provides free education content to support young people aged 7-14 years to be prepared for the effects of weather and climate change on them and their communities.
