

P4C questions and stimuli

Pick one stimulus from the table below and pose the related questions to your group.
More guidance on how to deliver a P4C lesson can be found in the supporting P4C teacher guide.

Stimulus 1	Stimulus 2	Stimulus 3
<p>Saving lives on Lake Victoria, an article from the Met Office</p>	<p>Climate Smart Villages film from BBC News</p>	<p>Climate Change & Gender film from the United Nations Development Programme (UNDP)</p>
<p>What if you could help an emergency service during an extreme weather event? Which service would you help, and why?</p>	<p>What if you were living in a village and had to help your community tackle climate change? What would you do?</p>	<p>What if you were living in a village and had to help your community tackle climate change? What would you do?</p>
<p>How do you feel when you can help others?</p>	<p>How do you feel when you hear about communities around the world who are tackling climate change and making changes to reduce their impact of the environment?</p>	<p>How do you feel when you hear about communities around the world who are tackling climate change and making changes to reduce their impact of the environment?</p>
<p>Big question: Can extreme weather situations build a better sense of community?</p>	<p>Big question: Can local action combat climate change?</p>	<p>Big question: Can local action combat climate change?</p>
